

SAF-T-LOK[®]

**RTV Pressurized cans offer ultimate dispensing convenience!
No caulking gun required and precision application results.**

SAF-T-LOK RTV Silicone Sealants replace a wide range of cork, paper, asbestos, felt, and metal gaskets. Works on flanges, cover plates, gear box closures and even conduit and threaded assemblies. Operating service temperatures from -60°F to 450°F, but Red performs intermittently to 650°F.
