# Safety Data Sheet CORE PLUG SEALANT

SDS Revision Date:

01/07/2017

**International Corporation** 

# 1. Identification of the substance/mixture and of the company/undertaking

| 1.1. Product identifier                                  |   |
|--|---|
| Product Identity   | Core Plug Sealant   |
| Alternate Names  | Part Numbers: 24021,24031, 24041, 24043,<br>Product Type: Anaerobic Adhesive/ Sealant |
| 1.2. Relevant identified uses of the substance or mix    | ture and uses advised against   |
| Intended use   | Anaerobic Adhesive/ Sealant   |
| Application Method                                       | See Technical Data Sheet.   |
| 1.3. Details of the supplier of the safety data sheet    |   |
| Company Name   | SAF-T-LOK International Corporation   |
|  | 300 EISENHOWER LANE NORTH   |
|  | LOMBARD, IL 60148   |
| Emergency  |   |
| CHEMTREC (USA)   | (800) 424-9300  |
| 24 hour Emergency Telephone No.                          | (703) 527-3887  |
| Customer Service: SAF-T-LOK International<br>Corporation | (630) 495-2001  |

# 2. Hazard identification of the product

## 2.1. Classification of the substance or mixture

| Skin Irrit. 2;H315 | Causes skin irritation.              |
|--------------------|--------------------------------------|
| Eye Irrit. 2;H319  | Causes serious eye irritation.       |
| Skin Sens. 1;H317  | May cause an allergic skin reaction. |
| STOT SE 3;H335     | May cause respiratory irritation.    |

#### 2.2. Label elements

Using the Toxicity Data listed in section 11 and 12 the product is labeled as follows.

Safety Data Sheet Core Plug Sealant SDS Revision Date:

01/07/2017

## International Corporation

# Warning

H315 Causes skin irritation.H317 May cause an allergic skin reaction.H319 Causes serious eye irritation.

H335 May cause respiratory irritation.

## [Prevention]:

P261 Avoid breathing dust / fume / gas / mist / vapors / spray.

P264 Wash thoroughly after handling.

P271 Use only outdoors or in a well-ventilated area.

P272 Contaminated work clothing should not be allowed out of the workplace.

P280 Wear protective gloves / eye protection / face protection.

## [Response]:

P302+352 IF ON SKIN: Wash with plenty of soap and water.

P304+312 IF INHALED: Call a POISON CENTER or doctor / physician if you feel unwell.

P305+351+338 IF IN EYES: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do - continue rinsing.

P313 Get medical advice / attention.

P321 Specific treatment (see information on this label).

P333+313 If skin irritation or a rash occurs: Get medical advice / attention.

P337+313 If eye irritation persists: Get medical advice / attention.

P340 Remove victim to fresh air and keep at rest in a position comfortable for breathing.

P362 Take off contaminated clothing and wash before reuse.

P363 Wash contaminated clothing before reuse.

## [Storage]:

P403+233 Store in a well ventilated place. Keep container tightly closed.

P405 Store locked up.

## [Disposal]:

P501 Dispose of contents / container in accordance with local / national regulations.

# 3. Composition/information on ingredients

This product contains the following substances that present a hazard within the meaning of the relevant State and

SDS Revision Date:

01/07/2017

# International Corporation

Federal Hazardous Substances regulations.

| Ingredient/Chemical Designations                                  | Weight % | GHS Classification   | Notes |
|---|----------|--|-------|
| Triethylene glycol dimethacrylate<br>CAS Number: 0000109-16-0     | 30 - 60  | Eye Irrit. 2;H319<br>STOT SE 3;H335<br>Skin Irrit. 2;H315    | [1]   |
| 2-Hydroxyethyl methacrylate<br>CAS Number: 0000868-77-9           | 10 - 30  | Eye Irrit. 2;H319<br>Skin Irrit. 2;H315<br>Skin Sens. 1;H317 | [1]   |
| Coumarone-indene resin<br>CAS Number: Proprietary                 | 10 - 30  |  | [1]   |
| Benzisothiazol-3(2H)-one, 1,1-dioxide<br>CAS Number: 0000081-07-2 | 1.0 - 5  |  | [1]   |

[1] Substance classified with a health or environmental hazard.

[2] Substance with a workplace exposure limit.
[3] PBT-substance or vPvB-substance.
\*The full texts of the phrases are shown in Section 16.

## 4. First aid measures

| 4.1. Description of first | aid measures  |
|---------------------------|---|
| General                   | In all cases of doubt, or when symptoms persist, seek medical attention.<br>Never give anything by mouth to an unconscious person.  |
| Inhalation                | Remove to fresh air, keep patient warm and at rest. If breathing is irregular or stopped, give artificial respiration. If unconscious place in the recovery position and obtain immediate medical attention. Give nothing by mouth. |
| Eyes                      | Irrigate copiously with clean water for at least 15 minutes, holding the eyelids apart and seek medical attention.  |
| Skin                      | Remove contaminated clothing. Wash skin thoroughly with soap and water or use a recognized skin cleanser.   |
| Ingestion                 | If swallowed obtain immediate medical attention. Keep at rest. Do NOT induce vomiting.  |
| 4.2. Most important syn   | nptoms and effects, both acute and delayed  |
| Overview                  | Skin Contact: Usually no effect, however, as with any chemical, prolonged, excessive, or repeated exposure may cause mild to moderate skin irritation, exhibited by redness, drying and cracking of unprotected skin.               |
|                           | Eye Contact: May irritate with slight pain and redness.   |
|                           | Respiratory/ Inhalation: Usually none, however, as with any chemical product, some irritation may occur.  |
|                           | Ingestion: Amounts transferred to mouth by fingers, etc, during normal operation should not cause injury.   |

**SDS Revision Date:** 

01/07/2017

## International Corporation

Medical conditions generally aggravated by exposure: None known, however any chemical product may enhance allergies already present in certain individuals.

See section 2 for further details.

EyesCauses serious eye irritation.SkinMay cause an allergic skin reaction. Causes skin irritation.

## 5. Fire-fighting measures

### 5.1. Extinguishing media

Recommended extinguishing media; alcohol resistant foam, CO<sub>2</sub>, powder

### 5.2. Special hazards arising from the substance or mixture

Hazardous decomposition: Oxides of carbon and nitrogen.

Avoid breathing dust / fume / gas / mist / vapors / spray.

#### 5.3. Advice for fire-fighters

Air mask and procedures for fighting chemical fires. Do not inhale gases.

Cool closed containers exposed to fire by spraying them with water. Do not allow run off water and contaminants from fire fighting to enter drains or water ways.

ERG Guide No.

## 6. Accidental release measures

## 6.1. Personal precautions, protective equipment and emergency procedures

Put on appropriate personal protective equipment (see section 8).

#### 6.2. Environmental precautions

Do not allow spills to enter drains or waterways.

Use good personal hygiene practices. Wash hands before eating, drinking, smoking or using toilet. Promptly remove soiled clothing and wash thoroughly before reuse.

#### 6.3. Methods and material for containment and cleaning up

Prevent material from entering floor drains, sewers, or any bodies of water. Scoop up into waste container or soak up with absorbent material. Store in a closed container until disposal.

SDS Revision Date:

01/07/2017

## International Corporation

## 7. Handling and storage

## 7.1. Precautions for safe handling

See section 2 for further details. - [Prevention]:

### 7.2. Conditions for safe storage, including any incompatibilities

Handle containers carefully to prevent damage and spillage.

Isolated storage facility/ warehouse not required. Store in a cool, dry location (60-90°F) in a well-ventilated area in original container. Keep container tightly closed when not in use.

Incompatible materials: Incompatible with strong oxidizing agents

See section 2 for further details. - [Storage]:

### 7.3. Specific end use(s)

Avoid breathing vapors. Wash hands thoroughly at mealtime and end of shift. Wear personal protective equipment as outlined in Section 8 of this SDS.

## 8. Exposure controls and personal protection

#### 8.1. Control parameters

# Carcinogen Data

## 8.2. Exposure controls

| Respiratory          | No respiratory protection required, but normal good ventilation is recommended. Forced ventilation may be required if concentrations exceed normal use exposure.  |
|----------------------|---|
| Eyes                 | Safety goggles or glasses are recommended.  |
| Skin                 | Wear overalls to keep skin contact to a minimum. Use impermeable gloves (neoprene,<br>butyl rubber, natural rubber), as necessary to avoid skin contact, as well as proper clothing<br>or plastic apron. Wash hands before eating, drinking, or using restroom.   |
| Engineering Controls | Provide adequate ventilation. Where reasonably practicable this should be achieved by the use of local exhaust ventilation and good general extraction. If these are not sufficient to maintain concentrations of particulates and any vapor below occupational exposure limits suitable respiratory protection must be worn. |
| Other Work Practices | Eye wash stations should be located within 100 feet or 10 second walk of the work area.<br>Use good personal hygiene practices. Wash hands before eating, drinking, smoking or<br>using toilet. Promptly remove soiled clothing and wash thoroughly before reuse.   |
|                      |   |

See section 2 for further details. - [Prevention]:

| Coumarone-indene resin - (Proprietary)            | Not Available                  | Not Available                 | Not Available        |
| Benzisothiazol-3(2H)-one, 1,1-dioxide - (81-07-2) | Not Available                  | Not Available                 | Not Available        |

## 12.2. Persistence and degradability

There is no data available on the preparation itself.

#### 12.3. Bioaccumulative potential

Not Measured

#### 12.4. Mobility in soil

No data available.

## 12.5. Results of PBT and vPvB assessment

This product contains no PBT/vPvB chemicals.

## 12.6. Other adverse effects

No data available.

# 13. Disposal considerations

## 13.1. Waste treatment methods

Observe all federal, state and local regulations when disposing of this substance.

## 14. Transport information

14.1. UN number 14.2. UN proper shipping name DOT (Domestic Surface Transportation) Not Applicable Not Regulated IMO / IMDG (Ocean Transportation) Not Regulated Not Regulated
