

# SAF-T-LOK<sup>®</sup>

**RTV Pressurized cans offer ultimate dispensing convenience!  
No calking gun required and precision application results.**

**SAF-T-LOK<sup>®</sup>** RTV Silicone Sealants replace a wide range of cork, paper, asbestos, felt, and metal gaskets. Works on flanges, cover plates, gear box closures and even conduit and threaded assemblies. Operating service temperatures from -60°F to 450°F, but Red performs intermittently to 650°F.
